Sir,

The Uppinangady Taluk Board is conducting the ---
school at Charmady which was opened with the Government
subsidy sanctioned in G.O.No. 1590, Law (Education) dated
15-9-1925, in the Local Fund Choultry which was lent to
the Taluk Board temporarily by the District Board. The
building is now found inadequate for the present strength.
Moreover, the poorer class of travellers are put to ---
great inconvenience for want of halting place in the ---
locality.

locality.

2. The Police station has been permanently abolished from Tharmady and the buildings of the Police Station as well as, the Police lines are now lying idle, and no better use can be made of them by Government in a ~~lonely~~ lonely and malarial place like Charmady than to make them over for educational --- purposes.

3. There is no other building available for a school in the locality and if the District Board urges the Taluk Board to hand them back the building, there is no other go than to close the school which is one of the prosperous schools opened out of the Provincial Subsidy. The residents of the village are mostly living from hand to mouth and are not in a position to subscribe for the construction of a building for the school, nor is my Board in any way better since it has to depend for its very existence on annual doles from Government.

4. The School Committee of the locality have strongly --- urged the Taluk Board to move Government to secure the vacant Government buildings for the purposes of the school. In their representation they say that the buildings have become a ----- shelter to reptiles and venomous creatures and if they are --- left in that state they will ~~be~~ soon be subject to decay.

5. The matter was referred to the Taluk Board which has resolved to approach Government to make over the buildings to the Board. A copy of their resolution is herewith submitted.

6. I have, therefore, the honour to request that Government may be pleased to make over to the Taluk Board the buildings referred to for which no other use can be made now or --- hereafter in the immediate future.

Sir,

Refce:- Endorsement No.2795-1, Judicial Department,
dated 2nd September 1927.

I have the honour to state that on the abolition of the police station at Charmadi in the South Kanara district, the Sub-Inspector's quarters have been handed over to the Public Works Department, and the huts for 1 head constable and 6 constables have been retained by this department. As suggested by Mr. Cunningham in his proposals for the re-allocation of the district, approved of by Government in G.O.No.1, Judicial Department, dated 2nd January 1926, I consider it necessary to retain the station-house building and 2 constables' huts for use in connection with the temporary

Sir,

Adverting to the above mentioned Government --
